Beach Advisory Lifted for Capt. Wyllly Rd. Crossover Beach, Jekyll Island

GLYNN COUNTY, GA – The Glynn County Health Department has lifted the beach water advisory for Captain Wyllly Road Crossover Beach, which is from Brice Lane to the beach pavilion on Jekyll Island.

The advisory was issued on May 11, 2021 after routine water quality tests showed a high level of enterococci bacteria which increase the risk of gastrointestinal illness in swimmers.

Subsequent water samples show the bacteria level has dropped below the Environmental Protection Agency’s recommended limits. Therefore, the advisory has been lifted.

For more information about beach water advisories, go to www.gachd.org and click on the Environmental Health tab at the top of the page.
