

## Clean Marina Program Application

Please submit the information below if you are interested in becoming a certified Georgia Clean Marina in 2025. Partners will review applications and invite a cohort of marinas to Pledge in November 2024. These marinas will pledge to work with partners throughout the year to become certified by summer 2025 according to the certification requirements outlined in the checklist. For more information, please visit our website at [georgiacleanmarina.org](http://georgiacleanmarina.org).
