Hey!

Thank you for your comments in response to the GA DNR CRD's Public Notice posted October 2, 2025 for Savannah Yacht Club, Inc.

The project proposes dredging at an existing private marina and adjacent residential subdivision, Wilmington River, Long Field Creek, and Tom Thumb Creek, Whitemarsh Island, Chatham County, Georgia.

A copy of your comments and if applicable, the Applicants response, will be forwarded to the Coastal Marshlands Protection Committee when this permit is evaluated November 14, 2025.

Stuart Sligh, the agent for the project applicant, is copied here.

Thank you for taking the time to provide public comments.

Sincerely,
Deb Barreiro
Coastal Permit Coordinator
GA DNR Coastal Resources Division

Good Morning Deb,

I just read through the letter regarding the SYC and Tom Thumb dredging project. I have one question, how will the cost of this project be split between the residents of Tom Thumb creek and SYC? Is that something that the DNR determines?

Thank you,

Kristin Peters
