Re: Letter of Permission (LOP) for Temporary Tents, Structures, and Activities, Sea Island Beach Club, Sea Island, Atlantic Ocean, Glynn County, Georgia, (GPS 31.17842°N/-81.34838°W)

Dear Ms. Strickland:

This Letter of Permission (LOP) is in response to your request, received July 14, 2021, to erect temporary tents on the existing lawn and terrace at the Sea Island Beach Club for group and holiday events starting on July 29, 2021 and ending on November 28, 2021. All components of this request are within Shore Protection Act (SPA) jurisdiction at the Sea Island Beach Club. The project will begin no sooner than fifteen (15) days from the date of this letter.

The temporary tents for the group and holiday events will be erected starting July 29, 2021 through November 28, 2021. According to your request, the tents will be located landward of the dunes, on the existing manicured masonry terrace and lawn at the Beach Club. Equipment required to deliver and assemble the tents include a forklift, a one-ton pickup truck, a 24ft. enclosed trailer, and a flatbed trailer. Tent materials, including air conditioning equipment, will be delivered on pallets stored on a flatbed trailer. A forklift will off-load materials and equipment for assembly at the Beach Club site. The approved DNR vehicle access route will be used for the transport of the project equipment. No dunes or dune vegetation will be disturbed during the transport or set up of any of the structures.

The Department authorizes the placement of the temporary tents, structures, and activities as depicted in the attached description and drawings and has no objection to the actions, provided best management practices are used. **No unauthorized equipment, materials or debris may be placed, disposed of, or stored in jurisdictional areas.** Any incidental damage to dunes or dune vegetation will require restoration to be coordinated through this office. This LOP is valid for the above referenced projects. Any change in the use, location, dimensions, or configuration of the approved project, without prior notification and approval from this office could result in revocation of this permission and in the required removal of the related structures.
