Re: Letter of Permission (LOP), Temporary Activities, Placement of a Fireworks Display, Sea Island Beach Club, Sea Island, Atlantic Ocean, Glynn County, Georgia, (GPS 31.17638°N/-81.34964°W)

Dear Ms. Trombley:

This Letter of Permission (LOP) is in response to your request, received August 4, 2021, to set up equipment for a Fireworks Show held by the Sea Island Acquisition, LLC, within Shore Protection Act (SPA) jurisdiction at the Sea Island Beach Club.

To accomplish the set-up, an 8ft. x 16ft. fireworks launch trailer will be hauled onto the beach by a 4-wheel drive Jeep. The flatbed trailer will serve as the firework launch site and will be staged in an unvegetated area. Set up of the fireworks launch trailer will take place on September 4, 2021, with removal immediately after the fireworks display. In the event of rain or other unforeseen events, set up and removal will occur between September 2-5, 2021. The approved DNR vehicle access route will be used for the transport of the above described equipment. No dunes or dune vegetation will be disturbed during the transport or set up of any of the structures.

As these activities will occur between May 1st and October 31st, sea turtle nesting season, all sea turtle nests must be avoided, and no activity may occur within 20ft. of a nest area. No unauthorized equipment may be stored on the beach overnight. Any lighting used on the beach locations pre-dawn and/or post-sunset must be red lighting to avoid any interference with turtle hatchlings.

The Department authorizes the placement of the fireworks set up equipment as depicted in the attached description and site map and has no objection to the action. **No unauthorized equipment, materials or debris may be placed, disposed of, or stored in jurisdictional areas.** Any incidental damage to dunes or dune vegetation will require restoration to be coordinated through this office. This LOP is valid for the above referenced project. Any change in the use, location, dimensions, or configuration of the approved project, without prior notification and approval from this office could result in revocation of this permission and in the required removal of the related structures.

This LOP does not relieve you from obtaining any other federal, state, or local permits. If you have any further questions or concerns regarding this or any other projects, please feel free to contact Beth Byrnes at (912) 266-0277.

Sincerely,

Jill Andrews
Chief, Coastal Management Section

On behalf of Sea Island Acquisition, I respectfully request a Letter of Permission for the following activities at the Sea Island Beach Club:

(Please see Exhibit attached.)

Fireworks Trailer (Set Up: 9/4/2021 - Removal: 9/4/2021)

The 8'x16' fireworks launch trailer will be set on existing hard-packed sand beach. The trailer will be transported by a 4-wheel drive Jeep and delivered to the beachfront site. (See attached exhibits). Set up and removal will take place 7/4/2020. In the event of rain or other unforeseen events, setup and removal will take place within the dates of 9/2/2021 to 9/5/2021. No dunes or dune vegetation will be disturbed.

Given vehicle sizes and mobility requirements, the only feasible access to the Beach Club site for the events enumerated above, is along the existing DNR approved access route as illustrated on the attached exhibits. No dunes or dune vegetation will be disturbed.

Krista Trombley, CMP
