**Re: Letter of Permission (LOP), for Temporary Activities Associated with Georgia-Florida Weekend in Shore Protection Act (SPA) Jurisdiction, Beach Cleanup, East Beach, St. Simons Island, Glynn County, Georgia**

Dear Mr. Vicent:

This Letter of Permission (LOP) is in response to your request, received September 8, 2023, to perform temporary clean-up efforts on East Beach over the days of October 26 - October 29, 2023. According to the request, vehicles and equipment will be used to clear debris left by beach goers and for rescue purposes during the Georgia-Florida Weekend. Vehicles required will include front-end loaders, a motor grader, and additional pickup trucks and all-terrain vehicles accessing the area via existing DNR-approved vehicular access points at the Old Coast Guard Station (31.144313, -81.370264) and Massengale Park (31.140149, -81.377192). Equipment will be staged off the beach at Massengale Park until needed. No equipment will be staged on the beach. For protection of the dunes, construction fencing will temporarily be placed just seaward of the dunes to discourage foot traffic. Clean-up activities will occur between the Coast Guard Station and the King and Prince Hotel. The project will begin on October 26, 2023 and be completed no later than October 29, 2023.

The Department authorizes the cleanup efforts on East Beach as depicted in the attached description and drawing. **No unauthorized equipment, materials, or debris may be placed, disposed of, or stored in jurisdictional areas.** Any incidental damage to dunes or dune vegetation will require restoration to be coordinated through this office. This LOP is valid for the above referenced project. Any change in the use, location, dimensions, or configuration of the approved project, without prior notification and approval from this office could result in revocation of this permission and in the required removal of the related structures.

This authorization does not relieve you from obtaining any other required federal, state, or local permits. If you have any further questions or concerns regarding this or any other projects, please feel free to contact Beth Byrnes at (912) 266-0277.

Sincerely,
