I understand that if permission from the State is granted, it will be a revocable license and will not constitute a license coupled with an interest. I acknowledge that this revocable license does not resolve any actual or potential disputes regarding the ownership of, or rights in, or over
the property upon which the subject project is proposed, and shall not be construed as recognizing

license, permit, or authorization required by State law. I recognize that I waive my right of
expectation of privacy and I do not have the permission of the State of Georgia to proceed with
such project until the Commissioner of DNR or his/her designee has executed a revocable license in accordance with this request.
