

JOINT APPLICATION
FOR
A DEPARTMENT OF THE ARMY, CORPS OF ENGINEERS PERMIT,
STATE OF GEORGIA MARSHLAND PROTECTION PERMIT,
REVOCABLE LICENSE AGREEMENT
AND REQUEST FOR
WATER QUALITY CERTIFICATION
AS APPLICABLE

INSTRUCTIONS FOR SUBMITTING APPLICATION:

Every Applicant is Responsible to Complete The Permit Application and Submit as Follows: One copy each of application, location map, drawings, copy of deed and any other supporting information to addresses 1, 2, and 3 below. If water quality certification is required, send only application, location map and drawing to address No. 4.

1. For Department of the Army Permit, mail to: Commander, Savannah District, US Army Corps of Engineers, ATTN: CESAS-RD, 100 W. Oglethorpe Avenue, Savannah, Georgia 31401-3640. Phone (912) 652-5347 and/or toll free, Nationwide 1-800-448-2402.

2. For State Permit - State of Georgia (six coastal counties only) mail to: Habitat Management Program, Coastal Resources Division, Georgia Department of Natural Resources, 1 Conservation Way, Brunswick, Georgia 31523. Phone (912) 264-7218.

3. For Revocable License - State of Georgia (six coastal counties plus Effingham, Long, Wayne, Brantley and Charlton counties only) - Request must have State of Georgia's assent or a waiver authorizing the use of State owned lands. All applications for dock permits in the coastal counties or for docks located in tidally influenced waters in the counties listed above need to be submitted to Real Estate Unit. In addition to instructions above, you must send two signed form letters regarding revocable license agreement to: Ecological Services Coastal Resources Division, Georgia Department of Natural Resources, 1 Conservation Way, Brunswick, Georgia 31523. Phone (912) 264-7218.

4. For Water Quality Certification State of Georgia, mail to: Water Protection Branch, Environmental Protection Division, Georgia Department of Natural Resources, 4220 International Parkway, Suite 101, Atlanta, Georgia 30354 (404) 675-1631.

The application must be signed by the person authorized to undertake the proposed activity. The applicant must be the owner of the property or be the lessee or have the authority to perform the activity requested. Evidence of the above may be furnished by copy of the deed or other instrument as may be appropriate. The application may be signed by a duly authorized agent if accompanied by a statement from the applicant designating the agent. See item 6, page 2.

1. Application No. _____

2. Date _____

3. For Official Use Only _____

4. Name and address of applicant.

5. Location where the proposed activity exists or will occur.

Lat. 31°26'38" N Long. 81°17'0W

<u>McIntosh</u>	<u>N/A</u>	<u>N/A</u>
County	Military District	In City or Town
<u>N/A</u>	<u>N/A</u>	<u>N/A</u>
Near City or Town	Subdivision	Lot No.
<u>N/A</u>	<u>2.0m MLLW</u>	<u>GA</u>
Lot/Size	Approximate Elevation of Lo	State
<u>DuPont River, Sepeto Island</u>	<u>Doboy Sound</u>	
Name of Waterway	Name of Nearest Creek, River, Sound, Bay or Hammock	

6. Name, address and title of applicant's authorized agent for permit application coordination.

Statement of Authorization: I hereby designate and authorize the above named person to act in my behalf as my agent in the processing of this permit application and to furnish, upon request, supplemental information in support of this application.

FRED HAY / 2-21-21
Signature of Applicant / Date

7. Describe the proposed activity, its purpose and intended use, including a description of the type of structures, if any to be erected on fills, piles, of float-supported platforms, and the type, composition and quantity of materials to be discharged or dumped and means of conveyance. If more space is needed, use remarks section on page 4 or add a supplemental sheet. (See Part III of the Guide for additional information required for certain activities.)

See attached

8. Proposed use: Private Public Commercial Other (Explain)

Scientific Research

9. Names and addresses of adjoining property owners whose property also adjoins the waterway.

GA DNR, Wildlife Resources Division

10. Date activity is proposed to commence. Spring 2021 (boardwalk installation)
Date activity is expected to be completed. Spring 2022

11. Is any portion of the activity for which authorization is sought now complete Y N

a. If answer is "Yes", give reasons in the remarks in the remarks section. Indicate the existing work on the drawings.

see remarks

b. If the fill or work is existing, indicate date of commencement and completion.

July 2013 for the original permitted project

c. If not completed, indicate percentage completed.

12. List of approvals or certifications required by other Federal, State or local agencies for any structures, construction discharges, deposits or other activities described in this application. Please show zoning approval or status of zoning for this project.

Issuing Agency Type Approval Identification No. Date/Application Date/Approval

13. Has any agency denied approval for the activity described herein or for any activity directly related to the activity described herein?
 Yes NO (If "yes", explain).

The opposite. This project was approved

in 2012. Permit # 673

Note: Items 14 and 15 are to be completed if you want to bulkhead, dredge or fill.

14. Description of operation: (If feasible, this information should be shown on the drawing).

a. Purpose of excavation or fill N/A

1. Access channel length _____ depth _____ width _____
2. Boat basin length _____ depth _____ width _____
3. Fill area length _____ depth _____ width _____
4. Other _____ length _____ depth _____ width _____

(Note: If channel, give reasons for need of dimensions listed above.)

b. If bulkhead, give dimensions _____

-- Type of bulkhead construction (material) _____

1. Backfill required: Yes _____ No _____ Cubic yards _____
2. Where obtained _____

c. Excavated material

1. Cubic yards N/A
2. Type of material _____

15. Type of construction equipment to be used hand tools but not excavation

a. Does the area to be excavated include any wetland? Yes No

b. Does the disposal area contain any wetland? Yes No

c. Location of disposal area N/A

d. Maintenance dredging, estimated amounts, frequency, and disposal sites to be utilized: _____

e. Will dredged material be entrapped or encased? _____

f. Will wetlands be crossed in transporting equipment to project site? _____

g. Present rate of shoreline erosion (if known) _____

16. Description of Avoidance, Minimization and Compensation: Provide a brief explanation describing how impacts to waters of the United States are being avoided and minimized on the project site. Also, provide a brief description of how impacts to waters of the United States will be compensated for, or a brief statement explaining why compensatory mitigation should not be required for those impacts.

There will not be any impacts to nearby waters.
The main goal of the project is to study
pristine marsh. The only impacts to the
marsh will be mild foot traffic during the
installation of the boardwalk.

17. Water Quality Certification: In some cases, Federal law requires that a Water Quality Certification from the State of Georgia be obtained prior to issuance of a Federal license or permit. Applicability of this requirement to any specific project is determined by the permitting Federal agency. The information requested below is generally sufficient for the Georgia Environmental Protection Division to issue such a certification if required. Any item, which is not applicable to a specific project, should be so marked. Additional information will be requested if needed.

a. Please submit the following:

1. A plan showing the location and size of any facility, existing or proposed, for handling any sanitary or industrial waste waters generally on your property. *N/A*

2. A plan of the existing or proposed project and your adjacent property for which permits are being requested. *N/A no adjacent properties*

3. A plan showing the location of all points where petro-chemical products (gasoline, oils, cleaners) used and stored. Any aboveground storage areas must be diked, and there should be no storm drain catch basins within the dike areas. All valving arrangements on any petro-chemical transfer lines should be shown. *N/A none used*

4. A contingency plan delineating action to be taken by you in the event of spillage of petro-chemical products or other materials from your operation. *N/A none used*

5. Plan and profile drawings showing limits of areas to be dredged, areas to be used for placement of spoil, locations of any dikes to be constructed showing locations of any weir(s), and typical cross sections of the dikes. *N/A no dredging or spoil*

b. Please provide the following statements:

1. A statement that all activities will be performed in a manner to minimize turbidity in the stream. *see attached*

2. A statement that there will be no oils or other pollutants released from the proposed activities which will reach the stream. *see attached*

3. A statement that all work performed during construction will be done in a manner to prevent interference with any legitimate water uses. *see attached*

18. Application is hereby made for a permit or permits to authorize the activities described herein; Water Quality Certification from the Georgia Environmental Protection Division is also requested if needed. I certify that I am familiar with the information contained in this application, and that to the best of my knowledge and belief such information is true, complete and accurate. I further certify that I possess the authority to undertake the proposed activities.

19. U.S.C. Section 1001 provides that: Whoever, in any matter within the jurisdiction of any department or agency of the United States, knowingly and willfully falsifies, conceals, or covers up by any trick, scheme, or device a material fact or makes any false, fictitious, or fraudulent statements or representations, or makes or uses false writing or document knowing same to contain any false, fictitious or fraudulent statement or entry, shall be fined no more than \$10,000 or imprisoned not more than 5 years or both.

PRIVACY ACT NOTICE

The Department of the Army permit program is authorized by Section 10 of the Rivers and Harbors Act of 1899, Section 404 of the Clean Water Act and Section 103 of the Marine Protection, Research and Sanctuaries Act of 1972. These laws require permits authorizing structures and work in or affecting navigable waters of the United States, the discharge of dredged or fills material into waters of the United States, and the transportation of dredged material for the purpose of dumping it into ocean waters. Information provided will be used in evaluating the application for a permit. Information in the application is made a matter of public record through issuance of a public notice. Disclosure of the information requested is voluntary; however, the data requested are necessary in order to communicate with the applicant and to evaluate the permit application. If necessary information is not provided, the permit application cannot be processed nor can a permit be issued.

SUPPORTING REMARKS:

The original project that was permitted was completed. This permit application is to reinstall a boardwalk that was lost during hurricanes Matthew and Irma. We would like to change the location of the new boardwalk, hence the application.

All activities (installation of the boardwalk and maintenance of the scientific equipment) will be performed in a manner as to minimize turbidity in the adjacent streams.

There will be no oils or other pollutants released into the marsh or streams as a result of this project.

All work performed during the installation of the boardwalk will be done in a manner that will not interfere with any legitimate water use.

To Whom It May Concern:

This is to certify the work subject to the jurisdiction of the U.S. Army Corps of Engineers as described in my application dated 2-21-21, is to the best of my knowledge, consistent with the Georgia Management Plan.

Since my project is located in the Coastal Area of Georgia, I understand the U.S. Army Corps of Engineers must provide this statement to the Georgia Department of Natural Resources, Coastal Resources Division, Ecological Services Section (GADNR-CRD) for its review, and a Department of Army permit will not be issued until the GADNR-CRD concurs with my findings. I also understand additional information may be required by the GADNR-CRD to facilitate its review of my project and the additional information certifications may be required for other Federal or State authorizations.

STATE OF GEORGIA

REQUEST FOR A REVOCABLE LICENSE FOR THE USE OF TIDAL WATERBOTTOMS

APPLICANT NAME(S): Fred Hay Jr.

MAILING ADDRESS: PO Box 15 Sapelo Island GA 31327
 (Street) (City) (State) (Zip)

PROJECT ADDRESS/LOCATION: Sapelo Island

COUNTY: McIntosh WATERWAY: Duplin River

LOT, BLOCK & SUBDIVISION NAME FROM DEED: NA

Georgia Department of Natural Resources
 Coastal Resources Division
 One Conservation Way
 Brunswick, Georgia 31520-8687

I am requesting that I be granted a revocable license from the State of Georgia to encroach on the beds of tidewaters, which are state owned property. Attached hereto and made a part of this request is a copy of the plans and description of the project that will be the subject of such a license. I certify that all information submitted is true and correct to the best of my knowledge and understand that willful misrepresentation or falsification is punishable by law.

I understand that if permission from the State is granted, it will be a revocable license and will not constitute a license coupled with an interest. I acknowledge that this revocable license does not resolve any actual or potential disputes regarding the ownership of, or rights in, or over the property upon which the subject project is proposed, and shall not be construed as recognizing or denying any such rights or interests. I acknowledge that such a license would relate only to the property interests of the State and would not obviate the necessity of obtaining any other State license, permit, or authorization required by State law. I recognize that I waive my right of expectation of privacy and I do not have the permission of the State of Georgia to proceed with such project until the Commissioner of DNR or his/her designee has executed a revocable license in accordance with this request.

Sincerely,

By: FRED HAY Jr.

 (Applicant), title if applicable

By: _____
 (Applicant), title if applicable

The State of Georgia hereby grants you a revocable license not coupled with an interest as provided in your request. This area may now or in the future be utilized by boats employing power drawn nets under the provisions for commercial or sport bait shrimping. In its occupancy and use of the premises, licensee shall not discriminate against any person on the basis of race, gender, color, national origin, religion, age, or disability. This covenant by licensee may be enforced by termination of this license, by injunction, and by any other remedy available at law to the Department. The project proposed for this license must be constructed and completed within the specified timeframe associated with the authorization and/or transmittal letter associated with this revocable license and must be maintained in serviceable condition. Otherwise, action will be initiated to revoke this license and all structures must be removed immediately at the licensee's expense.
