Dear Miss DeYoung,

I wish to personally congratulate you on your exceptional catch of a vermillion snapper (*Rhomboplites aurorubens*) which has been approved as the Women's Georgia Saltwater Game Fish Record for this species. Enclosed is a certificate that serves not only to recognize the size of the catch, but also the angler's skill and sportsmanship displayed in the landing of a game fish record.

Again, congratulations on your achievement, and thank you for your participation in Georgia's Saltwater Game Fish Records Program.

Sincerely,

Doug Haymans

notes

There is currently no record for Vermillion Snapper. We will be adding the women's record and a minimum for the men's of 3lbs. Other neighboring state records for Vermillion Snapper include AL 7lb 3 oz, MS 5lb 3 oz, SC 6 lb 10 oz, NC 6 lb 9 oz and no record for Florida. I am making the assumption that the committee wants to add Vermillion to the state record list
