

LIST OF APPROVED OUT-OF-STATE HATCHERIES AND NURSERIES

Below is a list of the hatcheries and nurseries currently approved for importation of shellfish seed into the State of Georgia. Every hatchery/nursery on this list is subject to following the Molluscan Shellfish Importation Policy. Any hatchery or nursery that wishes to be added to this list may contact the Department for Georgia's Out-Of-State Molluscan Shellfish Hatchery and Nursery Approval Application. Hatcheries and nurseries shall be added to this list upon approval.
