### **Health Department Lifts Swimming Advisory**

**GLYNN COUNTY, GA**— The Glynn County Health Department has lifted the advisory for Middle Beach at Convention Center (including Beach Pavilion to Beach Deck) on Jekyll Island. The advisory was issued on Wednesday, November 5, after routine water quality tests showed a high level of enterococci bacteria which increase the risk of gastrointestinal illness in swimmers. However, water samples taken Thursday, November 6, showed that the bacteria levels had dropped below Environmental Protection Agency's recommended limits. Therefore, the advisory has been lifted.
