**Beach Advisory Lifted for St. Andrews Beach on Jekyll Island;
Advisory for Clam Creek Beach Remains**

GLYNN COUNTY, GA – The Glynn County Health Department has lifted the advisory for St. Andrews Beach (from Macy Lane to the St. Andrews picnic area) on Jekyll Island. The advisory for Clam Creek Beach (from Clam Creek to the old north picnic area) remains in place.

The advisory for St. Andrews Beach was issued on December 3, 2014. Subsequent samples show that bacteria levels are now within acceptable limits; therefore the advisory for that area has been lifted.
