Beach Advisory Lifted for East Beach on St. Simons Island; Advisories for St. Andrews Beach and Clam Creek Beach on Jekyll Island Remain

GLYNN COUNTY, GA – The Glynn County Health Department has lifted the advisory for East Beach at the old Coast Guard station (from Tenth Street to Driftwood Drive) on St. Simons Island. The advisories for St. Andrews Beach and Clam Creek Beach on Jekyll Island remain in place.

The East Beach advisory was issued on December 3, 2014. Subsequent samples show that bacteria levels are now within acceptable limits; therefore the advisory for that area has been lifted.
