Beach Advisory Lifted for South Beach at 4H Camp on Jekyll

GLYNN COUNTY, GA – The Glynn County Health Department has lifted the advisory for South Beach at the 4H Camp (South Water Tower to Macy Lane) on Jekyll Island.

The advisory was issued on April 1, 2015 after routine water quality tests showed a high level of enterococci bacteria which increase the risk of gastrointestinal illness in swimmers.

Subsequent samples show that bacteria levels are now within acceptable limits; therefore the advisory has been lifted.
