**Beach Advisory Lifted for South Beach at 4H Camp on Jekyll;  
Advisory for Massengale Park Beach on St. Simons Remains**

**GLYNN COUNTY, GA** – The Glynn County Health Department has lifted the advisory for South Beach at the 4H Camp (South Water Tower to Macy Lane) on Jekyll Island. The advisory for Massengale Park Beach (Driftwood Drive to Cedar Street) on St. Simons Island remains in place.

The advisory for South Beach at 4H Camp on Jekyll Island was issued on March 18, 2015. Subsequent samples show that bacteria levels are now within acceptable limits; therefore the advisory for that area has been lifted.

The area still under advisory on will be retested and the advisory will be lifted when tests show the bacteria levels meet the Environmental Protection Agency's recommended standards.
