Beach Advisory Lifted for Massengale Park Beach on St. Simons

GLYNN COUNTY, GA – The Glynn County Health Department has lifted the advisory for Massengale Park Beach (Driftwood Drive to Cedar Street) on St. Simons Island.

The advisory was issued on April 15, 2015 after routine water quality tests showed a high level of enterococci bacteria which increase the risk of gastrointestinal illness in swimmers.

Subsequent samples show that bacteria levels are now within acceptable limits; therefore the advisory has been lifted.
