**Beach Advisory Lifted for North Beach at Goulds Inlet St. Simons**

**GLYNN COUNTY, GA** – The Glynn County Health Department has lifted the advisory for North Beach at Goulds Inlet (Fifteenth Street to Tenth Street) on St. Simons Island.

The advisory was issued on August 3, 2016 after routine water quality tests showed a high level of enterococci bacteria which increase the risk of gastrointestinal illness in swimmers.

Subsequent samples show that bacteria levels are now within acceptable limits. Therefore, the advisory has been lifted.
