

Charlie Elliott Wildlife Center

Wildlife and Other Wonders Outdoors

Wildlife and Other Wonders (W.O.W.) Outdoors program is an opportunity for our guests to build a custom program that best suits the needs of their group, club, or company. With a wide variety of outdoor opportunities available within the 6,700 acre Clybel Wildlife Management Area, we will work with you to craft a perfect and unforgettable experience. A session of W.O.W. Outdoors is designed for groups of 10 or more with participants ages 11+. Up to three of the following programs (with each program lasting 45-60 minutes in duration), may be selected.

CANOING (SELF-GUIDED)

\$5 per person

Jump into a canoe and paddle around Lake Margery, one of our largest lakes on the Marben Public Fishing Area.

CANOING (GUIDED)

\$10 per person

Join a naturalist on the water as we paddle around Lake Margery and explore the natural history of the area and ecology of the lake.

ARCHERY

\$10 per person

Nock an arrow and hit the bullseye with basic archery lessons. With compound bows, staff will train you on safety and archery basics. You can choose to use static or 3-D targets.

FIREARMS

\$15 / \$25 per person*

Join an instructor at the Charlie Elliott Wildlife Center's Educational Range. Staff will provide safety and shooting instruction as you utilize our firearms. Choose between BB gun, pellet rifle, or shotgun. *Dependent on your choice of firearm. Contact CEWC for specific pricing.

FISHING

\$5 per person

Grab a fishing rod and cast into Clubhouse Lake for bass, bream, or catfish. Staff will provide equipment and bait. Catch and release only. Participants 16 and older are required to have a Georgia fishing license which can be purchased upon arrival for program.

LOW CHALLENGE COURSE

\$15 per person

The low challenge course is an excellent choice for groups looking for team building opportunities. Concepts include communication, trust, cooperation, encouragement, and goal setting.

NATURE SKILLS

\$5 per skill, per person

Hone your skills in outdoor recreation. Staff will lead hands-on demonstrations to improve your outdoor abilities in orienteering, fire building, shelter building, birding, wild and medicinal plants identification, owl pellet dissections, and specialty hikes. Each skill class is 1 hour in length, with a limit of 3 skills per group.

WILDLIFE PRESENTATION

\$45 flat rate fee for a group up to 30

Get up close and personal with some of Georgia's native wildlife. Using live animals as visual aids, a naturalist will discuss conservation topics and natural history of Georgia.

FREE PROGRAMING

Below are some FREE options we offer:

DRIVING TOUR OF CEWC

Get a caravan of cars ready as you drive throughout the property and tour of some of the historical and natural sights found at our WMA.

MUSEUM TOUR OF CHARLIE ELLIOTT WILDLIFE CENTER

Experience the life of Charlie Elliott as our staff guides you through our Visitor Center Museum and narrate the accomplishments of the man and conservationist after whom this place is named.

SELF-GUIDED HIKES

Go take a hike on one of our educational trails and get to know some of the unique habitats found here. Maps are available in the Visitor Center.

CHARLIE ELLIOTT ASTRONOMY

Observe the stars and planets with the Charlie Elliott Astronomy Club on the 3rd Saturday of the month. Groups of 15 or more are encouraged to request a separate outreach event with Charlie Elliott Astronomy Club. Go to www.ceastronomy.org to request an event.

JR. RANGER PROGRAM

Stop by the museum and pick up a Jr. Ranger Activity guide and start exploring the plants and animals that call this area their home.

Important note: Program choices are based on staff availability. Some programs require more staff than others and we will need at least three (3) weeks advanced notice to book a WOW Outdoor Program.
